

JOB DESCRIPTION

Automotive Mechanical, Diagnostic Technical Specialists.

Located in Artarmon on Sydney's North Shore, Sydney City Prestige is Australia's leading prestige pre-owned automotive dealership specialising in luxury and super luxury vehicles.

Due to the addition of two new vehicle franchises and the growth and expansion of our pre-owned division, our dedicated and fully equipped Service Centre is seeking a number of experienced, self-motivated and reliable automotive mechanical and diagnostic specialists to join our hardworking and passionate team.

Key responsibilities will include:

- Conduct vehicle diagnosis, service and repairs
- Adhere to checklists and quality control standards to ensure that all critical steps are followed
- Test drive vehicles after repairs are complete to ensure mechanical soundness and to determine whether any other problems exist
- Conduct registration inspections (pink and blue slip)
- Maintain accurate records

The ideal candidate will have the following skills, knowledge and experience:

- Qualified automotive technician
- Pink and blue slip authorised examiner preferred but not necessary
- Strong knowledge of mechanical, hydraulic and electrical systems
- Excellent troubleshooting and modern diagnostic skills
- Experience in working on a diverse range of vehicles including luxury, super luxury, classic and light trucks
- Positive and approachable attitude
- Excellent interpersonal and communication skills with a customer centric approach
- Be results driven
- Ability to work in a fast-paced environment proficiently and accurately
- Ability to work autonomously and as part of a tight knit team
- Excellent time management and multi-tasking skills

To be successful in your application:

- Possess a valid NSW Motor Vehicle Tradesperson's Certificate
- Current drivers licence
- Australian Resident or valid Working Visa
- Professional with a strong work ethic
- Be self-driven, confident and motivated to succeed
- Punctual and reliable
- Flexible and adaptable in a growing business
- Quick to think and act accordingly
- Light truck licence preferred but not essential

These roles require hands-on professionals with a passion for luxury and super luxury vehicles and who are prepared to join a strong team focused on both customer and business results.
